This Memorandum of Understanding (MOU) is by and between the City of Calexico (City) and the Calexico Municipal Employees' Association (Association).

ARTICLE 1 — RECOGNITION AND STATUS OF MOU

Section 1 - Recognition: The City recognizes the Association as the exclusive bargaining representative with respect to all matters relating to employment conditions and employer-employee relations, including, but not limited to, wages, hours and other terms and conditions of employment pursuant to California Government Code Section 3500 et seq, for all of its employees within the bargaining unit.

Section 2 – Ratification: This MOU is of no force or effect until ratified and approved by the Association membership and by the City Council through a duly adopted Resolution. Upon ratification, this MOU reflects the sole agreement of the parties thereto and supersedes all prior agreements whether written or oral. Prior to ratification of this MOU by both parties, the MOU previously in place will govern any matters.

Section 3 – Scope of Recognition: The scope of representation is as set forth in City Council Resolution No. 2204, entitled: "Resolution of the City Council of the City of Calexico Pertaining to Employer-Employee Relations for the City of Calexico," dated July 7, 1970, as amended.

Section 4 – Rules and Regulations: All bargaining unit members shall be subject to the City's Personnel Rules and Regulations. No amendment to the Personnel Rules and Regulations shall amend or modify any provision found in this MOU, except where necessary to comply with federal, state or local law. No provision in this MOU shall conflict with federal, state or local law. Any changes to the Personnel Rules and Regulations impacting wages, hours or terms and conditions of employment shall be subject to meet and confer with the Union.

ARTICLE 2 — MANAGEMENT RIGHTS

The Association agrees that the City retains and has the exclusive decision-making authority to manage municipal services and the workforce performing those services so long as the City exercises such exclusive authority in conformance with the express specific terms of this MOU.

The Association further agrees that the City has, except as expressly and lawfully restricted by specific provisions of this MOU, the exclusive decision-making authority to:

Determine and modify the organization of City government and its constituent work units.

Determine the nature, standards, levels and mode of delivery of services to be offered to the public.

Determine the methods, means and the numbers and kinds of personnel by which services are to be provided.

Determine whether goods or services shall be made, purchased or contracted for.

Direct employees, including scheduling and assigning of work and overtime.

Establish employee performance standards and require compliance therewith.

Discharge, suspend, demote, reduce in pay, reprimand, withhold salary increases and benefits or otherwise discipline employees subject to the requirements of applicable law.

Relieve employees from duty because of lack of work or lack of funds or for other legitimate reasons.

Implement rules, regulations and directives consistent with law and the specific provisions of this MOU.

Take all necessary actions to protect the public and carry out its mission in emergencies.

Decisions under this Article shall not be subject to the grievance procedure herein, unless the City is in violation of this MOU.

ARTICLE 3 — EMPLOYEE AND ASSOCIATION RIGHTS

Section 1- Association Business:

- A. There shall be a reasonable amount of shop stewards appointed in order to facilitate the policing of this MOU. These appointments shall be made by the Association representatives.
- B. Officers of the Association shall receive a reasonable amount of paid release time, subject to reasonable regulation by the City, in order to conduct proper Association business.

Section 2 - Bulletin Boards: A bulletin board accessible at each job site for posting of notices to employees will be provided by the City at each work site.

Section 4 - Non-Discrimination: Neither the City nor the Association shall discriminate against any employee covered by this MOU on the basis of race, color, sex, religion, national origin, sexual orientation, gender identity, gender expression, age, physical handicap, veteran or military status, or for exercising any employee rights contained in this MOU or the law. The parties recognize the right of employees to form, join and participate in lawful activities of employee organizations, and the equal and alternative right of employees to refuse to form, join or participate in employee organization activity. The City and the Association agree that no employee hereunder will be coerced or discriminated against because of membership or lack of membership in the Association.

Section 5 - Use of Facilities: Upon request and without charge, the Association shall be granted the right to use City facilities for lawful Association business. The conditions of such use shall be consistent with applicable law, and permission shall not be unreasonably withheld.

Section 6 - Union Mail Slot: The City shall provide a mail slot for the Association at City Hall.

Section 7 - Notice Requirements: Notices required by this MOU or by law shall be delivered either by hand or Certified U.S. Mail to the Association President. The Association shall provide the City with the name and contact information for the President each year, and as the information changes.

Section 8 - Personnel Files:

- A. The personnel file of each employee shall be maintained at the City's Human Resources Department, and shall not be removed for any reason. Any files kept by any supervisor of any employee shall not contain any material that is not in the main personnel file. No adverse action of any kind shall be taken against an employee based upon materials which are not in the personnel file.
- B. An employee shall be provided with copies of any derogatory written material 5 workdays before it is placed in the employee's personnel file. The employee shall be given an opportunity during normal working hours, and without loss of pay, to initial and date the material and to prepare a written response to such material. The written response shall be provided to the City within 30 days after the employee has been provided the copies of the material, and the written response shall be attached to the material.
- C. An employee shall have the right at a reasonable time without loss of pay to examine and/or obtain copies of any material from the employee's personnel file. The employee must obtain the approval of his or her supervisor.
- D. All personnel files shall be kept in confidence and shall be available for inspection by authorized employees of the City only when actually necessary in the proper administration of the City's affairs or the supervision of the employee. The City

shall keep a log indicating the persons who have examined a personnel file, as well as the date such examinations were made. Such log and the employee's personnel file shall be available for examination by the employee or his/her representative if authorized by the employee. The log shall be maintained in the employee's personnel file.

- E. Upon written request from the employee, all written warnings and reprimands, or copies thereof, will be removed from the employee's official personnel file and any supervisor's working file after the time limits described in Appendix C: minor offenses removed within 12 months; major offenses removed after 24 months. Major offenses, as referred to in this section only, are those in which an employee has received a suspension of one or more days.

ARTICLE 4 - WORK SCHEDULES

Section 1 - Changes in Shift Assignment: The City shall not substantially change working hours or shift assignments of employees or positions except for lawful purposes and then only after the employee has been given a minimum of 21 calendar days written notice prior to the change in the exercise of its management rights. This provision does not prohibit insubstantial changes or changes within a menu of shifts pre-approved for the position.

Section 2 - Rest Breaks: Two 15-minute rest breaks shall be granted to employees each workday and shall be scheduled at or about midpoint between the start of the shift and the meal period, and midpoint between the meal period and the end of the work shift.

Section 3- Meal Periods: With the exception of public safety dispatchers, all employees shall be entitled to a minimum 30-minute duty free lunch period which shall be scheduled at or about the midpoint between the start of the shift and the meal period, and the midpoint between the meal period and the end of the work shift. If a supervisor knowingly interrupts an employee's duty free meal period and requires that employee to perform City-related work, the employee will be entitled to re-start his or her duty free meal period. If the employee receives no meal period because of a supervisor's intentional interruption, the employee will be eligible for one hour of additional pay.

Public safety dispatchers shall remain on-call during a paid 30-minute lunch period. Public safety dispatchers shall remain in a designated area during their meal break.

Section 4 – Alternate Hours/Days of Week: Per a preceding Letter of Understanding dated September 28, 2016 (LOU) the parties have mutually agreed that employees will work a five day, eight-hour day work schedule from October 10, 2016 through June 30, 2018. The terms of that LOU are incorporated herein by this reference. Subsequent to the sunset of that schedule, all non-safety employees are on a 9/80 work schedule for the purpose of limiting weekly overtime.

Section 5- End of Shift: Bargaining unit members working with hazardous materials at

the sewer plant shall be permitted to use the last fifteen (15) minutes of their shift to wash up and change out of their uniforms.

ARTICLE 5 — COMPENSATION AND OVERTIME PAY

Section 1 - Workweek: For employees on a 9/80 shift, the FLSA workweek will begin four (4) hours into the employee's scheduled "flex day" shift (typically a Friday), such that the first four hours of the eight-hour shift are in one workweek and the second four hours of the eight-hour shift are in the next workweek.

Section 2 - Hourly Rate: The regular (straight time) hourly rate of pay is determined by multiplying the monthly salary by 12 and dividing the result by 2,080.

Section 3- Overtime Rates:

- A. FLSA overtime is all time worked in excess of 40 hours in the employee's work week and is paid at 1.5 times the employee's regular hourly rate (including premiums such as night shift differential.) Paid leaves, including sick leave, holidays and vacation, are considered time worked for the purpose of computing any overtime.
- B. Any work ordered, authorized, permitted or suffered shall be considered time worked for the purpose of computing overtime. An employee must receive permission from his/her immediate supervisor prior to working overtime. The City shall not allow employees to perform regular or overtime work without the payment of compensation at the applicable rate of pay.

Section 4 - Compensatory Time Off: Bargaining unit members may receive, at their election, up to 240 hours of compensatory time off (CTO), in lieu of cash FLSA overtime, at a rate of 1.5 hours for each hour of FLSA overtime worked. Once a unit member accrues 240 hours of CTO, the City shall pay FLSA overtime compensation in cash. The City shall not unreasonably deny a bargaining unit member the use of CTO.

During the period of the LOU, ending June 30, 2018, which is incorporated herein by this reference, employees may cash-out available accrued CTO at any time and in any amount. As of July 1, 2018, and during the remaining term of this MOU, employees may cash-out eight hours of available CTO on December 24 and another eight hours on December 31, so long as such dates are provided to the employee as unpaid holidays (in essence additional furlough days).

Section 5 - Standby Time: An employee who is required during his/her off-duty time to remain accessible by telephone and who is required, upon notification, to respond to work is considered to be on "standby". An employee on standby during his/her workweek shall receive 6 hours pay each day (whether or not he/she is actually called out for work during that workweek) in addition to any call-out overtime actually worked.

Section 6 - Call-Back Pay: An employee who has been released from work and has left the work premises and who has not been scheduled, shall, if he/she is called back to duty, be paid a minimum of 2 hours. If the actual time traveling to and working a call-back to duty exceeds 2 hours, the employee is entitled to receive 4 hours pay. If the actual time traveling to and working a call-back to duty exceeds 4 hours, the employee is entitled to 6 hours pay. Call back time is paid at 1.5 times. Travel time shall be compensated accordingly only if travel time is within the County of Imperial. The employee shall be released from duty when he/she completes the given assignment.

Section 7 - Out-of-Class Pay: An employee shall be compensated an additional \$25 per day for each day he/she is assigned to work out of class, beginning following the fifteenth consecutive day in such assignment.

Section 8 - Differential Pay: If an employee works between 6:00 p.m. and 7:00 a.m., the employee will be entitled to a 7% per hour differential pay for every non-overtime hour worked between these hours. Differential Pay is not available if the employee is being paid an overtime rate for the hours in question. The 7% will be calculated on the employee's current hourly rate. The regularly assigned night Street Sweeper will be entitled to a 7½% pay range differential.

Section 9 - Report Time Guarantee: There shall be a guarantee of 4 hours to any employee reporting to work on his/her scheduled day.

Section 10 - Uniform Allowance:

- A. The uniform allowance for miscellaneous police personnel who are required to wear uniforms will be \$500.00 per year.
- B. The City will provide bargaining unit members with \$200 boot allowance for the purchase of CalOSHA safety boots.
- C. Implementation of the boot allowance will remain consistent with other employee groups receiving the boot allowance. If the City changes how the boot benefit is provided to other groups, such as a purchase order rather than an allowance, this bargaining unit members' benefit shall also be changed to stay consistent without need for negotiation.

Section 11 – Merit and Longevity Increases:

(a) Longevity Pay Increases: Bargaining unit members hired before January 1, 2016, are entitled to longevity pay according to the following schedule: \$20.00 per month for 5 years of continuous service; an additional \$30.00 per month for 10 years of continuous service; an additional \$40.00 per month 15 years of continuous service; an additional \$50.00 per month for 20 years of continuous service; an additional \$60.00 per month for 25 years of continuous service.

This benefit is deleted for all employees hired on or after January 1, 2016.

(b) Merit Increases:

As a result of the City of Calexico's financial inability to pay merit increases, as authorized by the Calexico Municipal Code, specifically section 2.40.060, all merit increases not paid as of January 1, 2016, shall be suspended for the term of this MOU.

As of July 1, 2013, all employees with the necessary time in position will be moved to Step 5. This will be based on years in service and not on any current performance rating.

Employees hired on, or after, July 1, 2013, shall be hired at Step 1 of the salary schedule and will move to higher steps based on merit in the following manner:

<u>FROM</u>	<u>TO</u>	<u>TIME</u>	<u>MERIT EVALUATION</u>
Step 1	Step 2	9 months	"Standard" or better
Step 2	Step 3	1 year	"Standard" or better
Step 3	Step 4	1 year	"Standard" or better
Step 4	Step 5	1 year	"Standard" or better

"Standard" = 71% or better

Section 12 – Professional Development Program:

For bargaining unit members who were hired prior to January 1, 2006, the member not on initial hire probation shall be paid for all college degrees earned from an accredited institution of higher education, pursuant to the following non-cumulative education incentive pay (an employee transferring from another City department shall be considered an initial hire for the purposes of this section).

Tuition reimbursement will be available to bargaining unit members hired prior to January 1, 2006, providing that the tuition reimbursement procedure is followed in accordance with the policy, and the department can sustain the expense.

- A. A salary adjustment of 5% upon completion of an AA or AS degree with a grade of "C" or better (but no unit member will receive more than one salary increase under this provision);
- B. If the unit member previously received a salary increase of 5% upon completion of an AA or AS degree, the unit member shall receive a salary adjustment of 5% upon completion of a BA or BS degree (but no unit member will receive more than one salary increase under this provision). If the unit member did not previously receive a salary increase upon completion of an AA or AS degree, the unit member shall receive a salary increase of 10% upon completion of a BA or BS degree (but no unit member will receive more than one salary increase under this provision).
- C. No unit member shall receive more than a total salary adjustment of ten percent (10 %) under this section during the member's employment with the City. This provision will apply only to unit members hired prior to January 1, 2006.
- D. Under this Professional Development Program, eligibility for the above-described salary adjustment is subject to the following conditions: (1) The employees interested in career advancement shall submit a request describing the educational opportunities to their department heads for review and consideration. The request must be job related and specific to the employee's position and department. (2) If the department head finds that the educational opportunity or degree obtained is specific to the employee's position with the City, then the department head will grant the applicable salary adjustments.

Section 13 - Bilingual Dispatcher Pay: Those dispatchers who are bilingual receive an additional 3%. Dispatchers who receive bilingual dispatcher pay pursuant to this section are not entitled to any other bilingual pay differential.

Section 14 - Confidential Pay: The persons employed as of March 8, 2000 in the classifications listed in item 3 of the 3/3/00 Addendum to MOU between the City of Calexico and the Calexico Municipal Employees' Association will continue to receive the benefit of that item as long as they are employed (grandfathered in). The benefit described in item 3 is null and void except as described here.

Section 15 – Cost of Living Increases: No cost of living salary adjustment shall be provided for the duration of the term of this MOU. However, the parties agree to meet and confer over possible wage increases each year, within 30 days of the release of the City's Comprehensive Annual Financial Report (CAFR).

Section 16 – Work Furlough: The City and Association previously agreed to furlough implementation per the LOU, which is incorporated by this reference. Per the LOU, furloughs will continue until the final pay period in June 2018. Effective July 1, 2018, all members shall be scheduled two annual furlough days – which may be referred to as "unpaid holidays" – on December 24th and 31st of each year during the term of this Agreement.

Section 17 – Increased Certification Grade: Upon attaining a Distribution or Collection certificate from the State of California required by the Department, a bargaining unit member will be paid a salary adjustment equal to 2.5% of base salary for so long as the employee maintains the valid certification. This will not result in a reclassification or promotion. Effective January 1, 2007, possession of these certificates will be minimum position qualifications for all bargaining unit members in these job classifications and the stipend will be converted into base salary as a reclassification.

Section 18 – One-Time Payments: Within a reasonable time following ratification of this Agreement, each Association employee shall receive a \$1,000 one-time signing bonus. This payment shall be subject to all lawfully required withholdings and taxes.

ARTICLE 6 — RESIGNATION AND DISCIPLINE

Section 1 - Resignation: An employee may voluntarily separate from employment with the City. A month's notice of intended separation is desired so that management may have sufficient time to obtain a necessary replacement, and minimum of 2 full weeks is strongly recommended.

Section 2 - Just Cause: Discipline shall be imposed on permanent employees only in accordance with the terms of this Article and for just cause, consistent with and subject to applicable law.

- A. Probationary employees may be dismissed at any time during the probationary period and without just cause and such action shall not be subject to this or the grievance procedure or any other appeal process so long as the dismissal notice indicates only that the dismissal is a "probationary release."
- B. Progressive discipline shall be used regarding matters such as: unsatisfactory job performance; infraction of procedures, tardiness, abuse of leave time, or excessive absences. Progressive discipline shall consist of the following 4 steps: 1) verbal, 2) written warning, 3) suspension not to exceed 5 days, and 4) suspension of more than 5 days and/or dismissal.
- C. A supervisor's report shall contain a description of the events requiring the disciplinary action, and a remedial plan outlining steps for the employee to correct the situation. Such reports shall be placed in the employee's personnel file for each step taken.

Section 3 - Appeal of Disciplinary Action: A permanent employee has the right to appeal discipline that involves a loss of pay to the Personnel Commission pursuant to Municipal Code Chapter 2.20. A final, written notice of discipline will inform or remind the employee of this right.

ARTICLE 7 — GRIEVANCE PROCEDURE

Section 1 - Purposes: This Article is intended to provide the means for employees, recognized employee organizations, and management to resolve grievances in an orderly manner within a reasonable time period; and to administer employer-employee relations through uniform and orderly methods of communication between employees and management.

Section 2 - Policy:

- A. Any bargaining unit member has the right to file a grievance without fear, intimidation, or coercion from any party;
- B. Any bargaining unit member may represent him/herself or request the assistance of an Association Representative at any or all steps in the grievance procedure up to Advisory Arbitration;
- C. Grievances may be initiated by the employee, or the Association;
- D. The bargaining unit member's or Association's first contact regarding job and working conditions is with the immediate supervisor and the supervisor shall attempt to settle grievances informally at that level;
- E. The immediate supervisor is responsible for informing employees about job requirements, personnel policies, and the work unit's relationship to the division, department and the City as a whole;
- F. A grievant and representative (if selected) may attend a grievance meeting with a supervisor on his/her own behalf without loss of pay. An Association representative may represent him/her at such grievance meeting without loss of pay.

Section 3 - Definition: A grievance is a claim, charge or dispute involving the following:

- A. The interpretation or application of any City rules, regulations, ordinance, resolution affecting an employee's wages, hours or conditions of work; or
- B. The interpretation or application of the provisions of this MOU.

- C. Notwithstanding subsections (A) and (B) above, a grievance does not include any challenge to a disciplinary action.

Section 4 - Informal Grievance Procedure: The informal complaint procedure must be used before the formal grievance procedure. The grievant shall discuss his/her complaint with his/her immediate supervisor no later than ten (10) working days after the occurrence of the incident causing the grievance. If the immediate supervisor fails to reply within five (5) working days, or the grievant determines he/she is not satisfied with any decision within five (5) working days after receiving it, the grievant may utilize the formal grievance procedure.

Section 5 - Formal Grievance Procedure:

- A. The formal grievance procedure shall be initiated not later than thirty (30) days after the discussion with the immediate supervisor in the informal procedure.
- B. The formal grievance shall be initiated by the filing of a written grievance, within the time period set forth above, on a form provided for this purpose. The form shall contain:

1. Name of Grievant
2. Class Title
3. Department
4. Grievant's mailing address
5. A clear statement of the nature of the grievance citing applicable ordinance, rules, regulations or action
6. The date upon which such grievance occurred
7. The action taken as a result of the informal complaint procedure
8. A proposed solution to the grievance
9. Date of execution of the grievance form
10. Signature of the grievant
11. The name of the organization or individual, if any, representing the grievant

- C. The following steps are to be used to resolve the formal grievance:

Step 1. The written grievance shall be filed and presented to the second-level supervisor, who shall investigate the grievance and shall confer with the grievant, his/her representative, and any other employee or employees in an attempt to resolve the grievance. Within ten (10) working days after the written grievance is first submitted to second-level supervisor, said second-level supervisor shall make and file a decision in writing with the grievant, his representative and the Human Resources Department.

Step 2. If the issue is not resolved in Step 1, said written grievance shall be filed, with the department head, within not more than ten (10) working

days from the receipt of the supervisor's response. A copy of such request shall be delivered to the Human Resources Department. Within ten (10) working days after the written grievance is first submitted to the department head, the department head shall make and file a decision in writing with the grievant, his/her representative, and the Human Resources Department.

Step 3.

If the department head does not resolve the grievance to the satisfaction of the grievant, the grievant may, within not more than ten (10) working days from receipt of the department head's decision, request in writing that the City Manager or his/her designee consider the grievance. A copy of the request filed by the grievant shall be submitted to the Human Resources Department.

(a) Within 10 working days after such request, the City Manager or designee shall investigate the grievance, confer with the persons affected and the grievant's representative, and seek through a meeting of the parties to resolve the matter by agreement between the parties.

Step 4.

Advisory Arbitration of Grievance: In the event that the grievance is not resolved by agreement between the parties, the Association may, within thirty (30) calendar days after the meeting in which the parties failed to reach agreement, request that the grievance be heard by an arbitrator. A grievance involving a letter of warning shall not be subject to arbitration.

(a) **Selection of Arbitrator:** The arbitrator shall be selected by mutual agreement between the City and the grievant or his/her representative. If the City and the grievant or his/her representative are unable to agree on the selection of an arbitrator, they shall jointly request the State Mediation and Conciliation Service to submit a list of five qualified arbitrators. The City and the grievant or his/her representative shall then alternately strike names from the list until one name remains, and that person shall serve as arbitrator.

(b) **Duty of Arbitrator:** Except when an agreed statement of facts is submitted by the parties, it shall be the duty of the arbitrator to hear and consider evidence submitted by the parties and to thereafter make written findings of fact and a proposed disposition of the grievance which shall be submitted to the City Manager. The decision of the arbitrator shall be based solely on the interpretation of the appropriate provisions of the MOU applicable to the grievance, and he/she shall not add to, subtract from, modify or disregard any of the terms or provisions of the

MOU. The decision of the arbitrator shall be advisory to the City Manager who shall render a final written decision within ten (10) working days of receipt of the decision of the arbitrator.

The provisions for arbitration are not intended and shall not be construed to empower an arbitrator to change any condition of employment specifically covered by the MOU, or to revise, modify or alter, in any respect, any provision contained in the MOU.

(c) The City Manager's or designee's decision shall be final, and is not subject to appeal.

(d) Payment of Costs: Each party to a hearing before an arbitrator shall bear his own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne one-half by the City and one-half by the grievant.

Section 6 - Time Limits:

- A. The time limits of each step may be extended by mutual consent of the parties. The duration of the extension shall be in writing and signed by both parties involved at the step to be extended.
- B. If any grievance is not appealed within the stated time limits, or extensions of any of the above steps, the grievance shall be considered conclusively settled on the basis of the last disposition by appropriate authority. No further City appeal or review is available.
- C. If a supervisor or other appropriate authority fails to furnish a response within the required time limits, or extensions, of any of the above steps, the employee or Association may proceed with the grievance at the next appropriate step.
